IN CHASE'S WORDS

In Chase's own words ~

"In the decade before his passing, Prince allowed me to travel the world and perform in Tribute and in Reverence to his music. In particular, over the past six years, Chase & Ovation has been allowed and extremely blessed to perform a monthly concert at Prince's favorite hometown/local live music venue ('Bunkers Music Bar') located in our hometown and in the heart of the North Loop of Minneapolis. I have always done this with Prince's knowledge under the name 'Chase & Ovation,' and am frequently joined on stage with many of Prince's former band mates. I wake up filled with gratitude every day and give thanks in prayer for the gift of music that Prince has given to me, but MORE importantly the gift that he has given to the world!"

Let us always remember to Celebrate Love... Life... And the Music of PRINCE!
